How you can Give Back to our Community

COVID-19 Harrisonburg-Rockingham Community Response Fund

The COVID-19 Harrisonburg-Rockingham Community Response Fund has granted over \$200,000 in funds to local nonprofits who are working tirelessly with the vulnerable populations in our community during the COVID-19 crisis. The Community Foundation and United Way are unable to accept applications from nonprofits for Phase 2 – Round 2 of COVID-19 funding at this time. Grant applications will be open later in May when more donations are received.

Those wanting to give back can estimate how much you normally spend every two weeks dining out and divert that amount to the **COVID-19 Harrisonburg Rockingham Community Response Fund**, a joint partnership established by United Way and The Community Foundation. The Response Fund will support non-profits assisting with access to food and access to safe shelter. Checks can be made payable to: The Community Foundation of HR and mailed to P. O. Box 1068, Harrisonburg, VA 22803. Write COVID-19 HR Response Fund in the memo line. 2) If you are still working, consider donating all or part of your stimulus check to the COVID-19 HR Community Response Fund, or a local non-profit, community-driven aid efforts, or friends/family/acquaintances that are losing wages.

The Community Foundation and United Way are still accepting gifts for the COVID-19 HR Community Response Fund. If you are able, increase your impact and give today to www.tcfhr.org. For more information and updates on the COVID-19 HR Community Response Fund, please visit our website: www.tcfhr.org.

HR Business Resiliency Fund

The Regional COVID-19 Business Support Taskforce was formed to coordinate support and resources for businesses in the Harrisonburg and Rockingham area in response to the COVID-19 pandemic. The Regional COVID-19 Business Support Taskforce received \$50,000 from F&M Bank to assist small businesses impacted by the situation. The Taskforce has determined that the best use of these funds would be to put it in the hands of small businesses that need immediate help to ensure on-going operations, retain employees and keep this sector of the community's economy moving. Grants will be up to \$5,000, balancing the needs of individual businesses with the anticipated demand for assistance.

The Taskforce established the HR Business Resiliency Fund with the Community Foundation of Harrisonburg and Rockingham County to accept additional donations to assist with the support to area small businesses, in an effort to help maintain the community's overall well-being in this time of uncertainty. The intent is a very quick turnaround for review and awarding of grants.'
