

Qualified Charitable Distribution Program

Are you 70 and a half and taking your required minimum distribution?

Experience the rewards of hassle-free giving with the help of the Community Foundation. Let us do the work, and save you time and energy!

How does it work?

1. Donors (or their financial advisors) send the Community Foundation
 - one check
 - a list of charities and designated amounts.
2. We forward the funds to the charity on the donor's behalf.
3. The donor receives one receipt.

What's the fee?

Working with us, even the fee benefits the community!

A flat fee of \$100 *and* 5% of the total gift (a minimum of \$500) is charged for non-fundholders.

The \$100 covers administrative costs to process the gift, therefore supporting the work of the foundation.

The 5% helps support one of four endowments, donor's choice:

- **Harrisonburg/Rockingham Food Pantry Endowment**
- **Dolly Parton's Imagination Library Endowment**, a preK literacy initiative
- **Vocational Education Endowment** supporting adults seeking vocational education
- the **Community Endowment**, benefiting a variety of community needs, including arts, culture, human services, youth services, and healthcare.
